Facilities

Hello disc golfers, friends, and family,

It's time to plan for the year's travels and get that vacation time set aside.

Here is your official invitation to spend time with us in the Twin Cities this summer.

This August, the Disc Golf Pro World Championships Tournament will be presented in Minnesota - a disc golf event like no other seen before.

For the tournament player there will be great courses - four being in the top ten for difficulty of Worlds courses within the past five years. Also; great player packs, giveaways, 2 Fly Marts, great sponsors, video coverage of the event, a midday clubhouse, special events, and more.

As well as putting on an incredible tournament for the participants in this year's event, there will be activities available during the week and both Saturday and Sunday, for family, friends, casual golfers, and spectators alike.

For the non-tournament disc golfer, there are 15 courses less than an hour from the host hotel that will be available for public play throughout the week.

For everyone, there is an overwhelming choice of activities available; at the host hotel, 3 blocks away at the Mall of America, or within minutes in downtown Minneapolis or St. Paul - restaurants, theaters, casinos, lakes, parks - you name it.

We can't wait to show you Minnesota!

Hope to see you here.

Sincerely,

Team Minnesota
